Kia ora e te whānau,

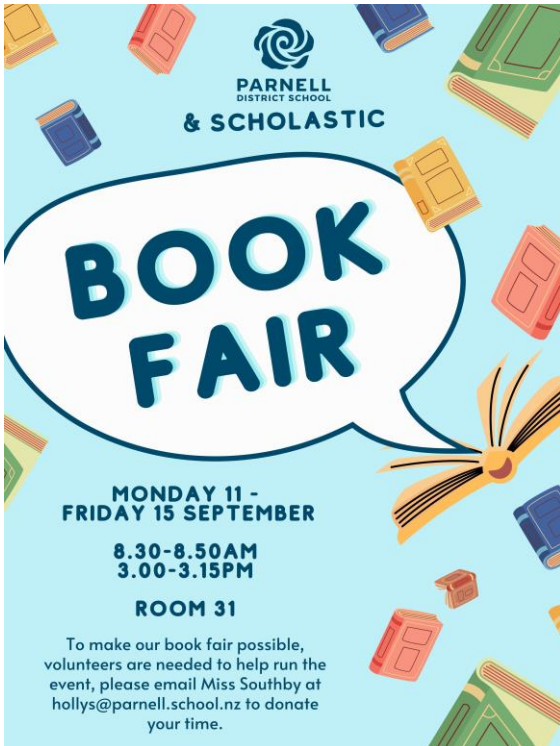

Waiōrea Recycling Centre - PDS Recycled Timber Project

Students at PDS were offered the opportunity to contribute to a collaborative mural that is now installed at the new Auckland Council Waiōrea Recycling Centre near the zoo and MOTAT. The link to the centre and what it does is [here](#).

Sustainability Squad students were given a recycled timber board with the guidelines for painting a panel to contribute to a collaborative mural. Some of the elements of the artwork had to be recycled or repurposed materials.

Our teams did an amazing piece of work. Ka rawe Alena Sudjiman, Ella Simon, and Julia Nguyen.

We need your help!

If you can help us out with the Book Fair next week 8:30-8:50am please reach out to Miss Southby on hollys@parnell.school.nz

@school Caregiver Portal - Desktop & App

If you wish to access your child's reports through the caregiver portal, it has been updated and is now available via desktop and an app. The app is called [@school](#) and you will have recently been sent new login details. In this portal you will find tax receipts, school reports and much more. Please familiarize yourself with the portal/app as we will be using it more in the future.

Book Character Parade is coming!

Start planning, get those sewing machines ready, book character parade is coming! The 22nd of September is not only our Tokomaru assembly, but whole school book character day! Book character day is about helping our children share their favorite stories and characters with their classmates. Chester is trying hard to work out what could be a better costume for him than his Mr Perfect outfit from our last book character day.
